BUILDING FUND DRIVE

WHAT IS INSTITUTE FOR HUMAN RESOURCES?

IHR is a nonprofit mental health and substance use counseling and education agency serving the residents of Livingston County. IHR prides itself in accepting all clients and having fees based on each individual's ability to pay. In 2020 we served over **3,000** individuals in our county. We are asking businesses and individuals in Livingston County and the surrounding area to consider a donation. This will help us to continue serving our community as we purchase a new building for IHR located at 920 Custer Ave. in Pontiac.

WHY ARE WE MOVING TO A NEW FACILITY?

Since the inception of IHR our staff has been housed in the Livingston County Health Department facility on Torrance Avenue in Pontiac. IHR has expanded our current building on the same property several times to meet the demand for more counselors. The Livingston County Health Department is in the process of building a new facility. This will cause IHR to move to our new location at 920 Custer Ave. in Pontiac.

WHY SHOULD YOU CONSIDER HELPING WITH THE BUILDING PROJECT?

Odds are that a family member, friend, co-worker, or even customer of yours is either being helped or has been helped in the past by our agency. Treating mental health, substance use, and providing counseling services is imperative to keeping our community strong and productive.

HOW CAN YOU HELP?

You can make a one-time charitable donation. Any contribution you make will be greatly appreciated. Please detach the portion below and mail or drop off your donation. **Thank you for your generosity!**
